### **Copyright Transfer Statement**

We, the undersigned authors, hereby transfer to the Indian Society of Anaesthesiologists (ISA) all copyright ownership of the submitted abstract/manuscript titled above. This includes rights to publish, reproduce, distribute, and archive in print or electronic form, including conference proceedings, journals, and online repositories maintained or authorized by ISA.

We understand that:

- The authors retain the right to reuse the content in future works, provided ISACON is acknowledged.
- This transfer is effective only if the abstract/manuscript is accepted for presentation or publication.

### **Author Declaration**

We declare that:

- The work submitted is original and does not infringe on any third-party rights.
- All authors have made significant contributions and approve the final version.
- The study has received appropriate ethics committee approval (if applicable).
- The content has not been published or submitted elsewhere for consideration.
